## **PRESS RELEASE**

**07-15-12**

Lt. Carl Dondorfer reported that on July 10, 2012 at 1104 pm, the Lake County Sheriff's Office responded to an address on Oakridge Dr. in Concord Twp. for a reported disturbance in progress. Upon arrival of deputies on scene, it was discovered that a resident on Oakridge Dr. had observed a suspicious vehicle drive by his residence and throw something into his yard. Upon investigating, the male resident walked toward the item thrown from the vehicle at which time the object exploded. Deputies investigating the scene determined that the item was a "Bottle Bomb," usually made with household items and an acid based cleaner solution.

Five male subjects, two adults and three juveniles were detained and identified at the scene. Deputies investigating the scene determined that all the males had knowledge of the incident and were involved in the criminal act. There were no injuries as a result of the explosion. The case is currently under investigation, and will be forwarded to the prosecutor for review of criminal charges.
